In the version of this article initially published, at the top of the left column on page 377, the year was incorrectly spelled. The correction is given below (marked in bold):

Page 377, left column

From:

After changing the language of its articles from Korean or English to English only in 2012 [1], *Archives of Plastic Surgery* (APS) became an international journal, as evidenced by various metrics [2] and its inclusion in the Web of Science Core Collection in (2012) and Scopus in 2013.
